To Whom It May Concern:

Due to concerns around the coronavirus (COVID-19), and in accordance with health guidance from the CDC, WHO, the State of Florida, the University of South Florida, and other health authorities, we have decided to cancel the 33rd Annual Research and Policy Conference on Child, Adolescent, and Young Adult Behavioral Health.

This cancellation was, unfortunately, decided in response to local events and long after travel plans were finalized.

Please provide any traveler impacted by this cancellation with refunds or vouchers to lessen the impact for events that were outside their control.

Thank you--and don't hesitate to contact us with any questions at info@cmhconference.com.

Sincerely,

Mario Hernandez Ph.D.
