

# ONLINE MASTER'S

*is possible!* Attend our virtual session to find out more!

## Please Join Us Virtually

Wednesday

# March 29, 2023

Noon – 1pm EDT

The session will be led by our CABH program director **Dr. Debra Mowery** and new student coordinator, **Dr. Jessica Rice**. We will discuss the ins and outs of the program, the application process, and answer any questions you have. If you have any questions, please contact us at [bcs-cabh@usf.edu](mailto:bcs-cabh@usf.edu).

Scan the QR code or visit <https://bit.ly/CABH-03-2023> to sign up for the this informational session.

## Why students choose our program:

- » **Dynamic Faculty:** Nationally recognized researchers and educators
- » **Distinctive Curriculum:**
  1. Focus on diverse children and adolescents with behavioral health challenges
  2. Development of highly skilled behavioral health workforce
  3. Provides practical and evidence-based knowledge from a multidisciplinary team
- » **Flexibility of Program:** Asynchronous delivery and part-time or full-time schedules
- » **Four Focus Areas:**
  1. Developmental Disabilities
  2. Leadership
  3. Research and Evaluation
  4. Youth and Behavioral Health
- » **Two Tracks:**
  1. Field Experience
  2. Thesis
