

Coming Soon from CWLA Press

# Everything is Normal Until Proven Otherwise

A Book About Unconditional Care and Wraparound Services

*Second Edition*

BY KARL W. DENNIS and IRA S. LOURIE

CWLA Press is excited to announce the second edition of the classic best-selling book *Everything Is Normal Until Proven Otherwise*.

- Eight new previously unpublished uplifting stories from Karl Dennis, a world-renowned storyteller of his experiences providing services at Kaleidoscope in Chicago for children and youth with serious emotional difficulties and their families;
- A new look at **Unconditional Care** as the way to provide services for this population and as the underpinning of the **Wraparound services**; and,
- An enhanced highlighting of **Family strengths and Family Voice and Choice** in the care of their children and adolescents, including a Brief History of the Parent Movement for providing and advocating for appropriate services.

*A must read for:*

- Any parent or caregiver of a child or adolescent with emotional issues;
- Those concerned with how mental health, social services, juvenile justice and special education need to work together to serve the families of children and adolescents with emotional issues;
- Any provider of mental health, social services, juvenile justice or special education services for the families of children and adolescents with emotional issues;
- Any student learning about providing services for children, adolescents and their families with mental health issues, and/or social service, special education or juvenile justice services.

**Item #2511 ▪ Price \$19.95 ▪ ISBN #978-1-58760-251-1**
